It’s the beginning of a new year and a new semester! Time to get back in study mode so you can finish out the academic year successfully, but it can be hard to readjust after a few weeks off. Just remember to start a regular sleep and study schedule, prioritize your work, and ask for help when you need it!

**Happy New Year!**

*We hope 2012 brings only good things your way!*

**Mid-year Academy**

If you received a D or F last semester, you may have to participate in the first-ever Mid-Year Academy.

As part of this program, you will be required to attend programs and workshops on the Sunday before classes start, January 8. You will also be assigned an academic coach who will help you develop a plan to get back on track with your grades, and will have meetings throughout the semester. If you are required to participate, you should have received a letter in late November/early December. If you have any questions contact Regan Bruni at 304-293-7982, or at regan.bruni@mail.wvu.edu.
